- the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

NAB suggests that, for stations subject to the online public file rule, the names charged. The FCC's online political files include a folder for "Terms and Disclosures." possible. If that information is only generated monthly, the file should include the name Note: Because the FCC requires that the political file contain the actual times the spots air and the rates charged, that information should be included in the file as soon as contact person(s) be placed in that folder. of a contact person who can provide the times that specific spots aired and the rates
